

*Telescope & Astronomy Expo*

Saturday, 16 September 2017

## Meade Telescope LX90-ACF 8" F/10

- 8" F/10 Advanced Coma-Free Optics 2000mm focal length
- Ultra-High Transmission Coatings (UHTC)
- Standard Field Tripod
- AudioStar handbox with speaker and Astronomer Inside
- Offers maximum brightness & contrast
- Stock code: ZTME0810-90-03

Normally: R 45,699.00 **R 25,995.00**

## Meade LightBridge Truss-Tube Dobsonian 16" F/4.5

- Extremely portable, takes only moments to set up and take apart for travel
- Sturdy laminated finish
- Roller bearings on the azimuth (side to side) axis and large diameter aluminium attitude (vertical axis)
- Fast 16" F/4.5 1829mm focal length Newtonian reflector
- Stock Code: ZTME1645-05-03

Normally: R 63,899.00 **R 37,995.00**

## Meade LightBridge Mini 82mm

- Idea 'grab-and-go' telescope
- Newtonian Reflector with a generous 82mm (3.2") aperture
- Lightweight (1.7kg) and a compact 300mm (f/3.7) focal length
- Sleek and compact table-top design
- 360° swivel mount and simple point-and-lock design
- Stock Code: ZTME203001

Normally: R 999.00

**R 595.00**

## Meade LightBridge Mini 114mm

- Parabolic Newtonian Reflector with an impressive 114mm (4.5") aperture
- Lightweight (4.9kg) with a removable 450mm (f/3.95) optical tube
- 26mm (17x) and 9mm (50x) eyepieces
- 360° swivel mount and simple point-and-look design
- Stock code: ZTME203002

Normally: R 2,999.00

**R 1,695.00**

## Meade LightBridge Mini 130mm

- Parabolic Newtonian Reflector with an impressive 130mm (5.1") aperture
- Lightweight (6.1kg) with a removable 650mm (f/5) optical tube
- 26mm (25x) and 9mm (72x) eyepieces
- 360° swivel mount and simple point-and-look design
- Stock code: ZTME203003

Normally: R 3,999.00

**R 2,195.00**

## Meade Telescope ETX80 Observer

- AudioStar controller containing over 30000 celestial objects
- 400mm focal length
- Fully equips the modern explorer with a sophisticated, automated and portable telescope
- Comes with backpack that fits the telescope/ mount and accessories
- Stock code: ZTME205002

Normally: R 6,999.00

**R 3,495.00**

## Meade Telescope ETX90 Observer

- AudioStar controller containing over 30000 celestial objects
- 1250mm focal length
- Comes with portable but extremely stable full size steel tripod with EQ Tilt plate
- Hard carry case and tripod bag
- Red Dot Viewfinder
- Stock code: ZTME205004

Normally: R 9,999.00

**R 5,595.00**

## Meade Telescope StarNavigator NG 90mm Refractor

- AudioStar computerized controller
- 900mm focal length, f/10 focal ratio
- Single arm mount with 12V DC Servo Drive
- Lightweight and compact aluminium tripod
- 90 degree 1.2" erect prism diagonal
- Stock code: ZTME218001

Normally: R 7,399.00

**R 3,995.00**

## Meade Telescope StarNavigator NG 102mm Refractor

- AudioStar computerised controller
- 660mm focal length, f/6.5 focal ratio
- Single arm mount with 12V DC Servo Drive
- Full-size aluminium tripod with accessory tray
- 90 degree 1.25" erect prism diagonal
- Stock code: ZTME218002

Normally: R 8,399.00

**R 4,595.00**

## Meade Telescope StarNavigator NG 90mm Maksutov

- AudioStar computerised controller
- Lightweight aluminium frame, advanced electronics
- External power connector
- Full-size aluminium tripod with accessory tray
- Portable robotic mount
- Stock code: ZTME218005

Normally: R 7,499.00

**R 4,095.00**

## Meade Telescope StarNavigator NG130mm Reflector Travel Pack

- Carry bag included
- Audiostar computerized controller
- 1000mm focal length, f/7.7 focal ratio
- Single arm mount with 12V DC Servo Drive
- Full-size aluminium tripod with accessory tray
- Stock code: ZTME218007

Normally: R 8,299.00

**R 4,395.00**

## Meade Adventure Scope 60mm

- Perfect for the explorer seeking to observe both day and night objects
- Automatic Refractor with a 60mm aperture
- 360mm focal length, f/6 focal ratio
- Red dot viewfinder
- Lightweight aluminium tripod
- Stock code: ZTME222000

Normally: R 1,399.00

**R 1,095.00**

## Meade Adventure Scope 80mm

- Perfect scope for the explorer seeking to observe both day and night
- Adventure scope includes a rugged backpack that is able to fit the OTA, tripod and accessories
- Achromatic Refractor with a 80mm aperture
- 400mm focal length, f/5 focal ratio
- Stock code: ZTME222001

Normally: R 1,999.00

**R 695.00**

## Meade #64 T-Adapter for ETX-90 and ETX-125

- Allows for prime focus photography with Meade ETX-90 and ETX-125 models
- The #64 T-Adapter threads to the rear photo port of the ETX telescope
- Output is a standard photographic T-thread to which many imaging devices will thread directly
- Stock code: ZTMEA07363

Normally: R 699.00

**R 345.00**

## Meade #64ST T-Adapter for ETX-60, ETX-70 and ETX-80

- Allows for photography with the Meade ETX-60, ETX-70 and ETX-80 models
- Adapter threads securely to the rear photo port of the ETX telescope
- Output is a standard photographic T-thread to which many imaging devices thread directly
- Stock code: ZTMEA07366

Normally: R 399.00

**R 245.00**

## Meade Nikon T-Mount

- Nikon T-Mount allows you to attach your Nikon SLR or DSLR camera to your telescope via a Meade camera adapter (sold separately)
- Stock code: ZTMEA07378

Normally: R 299.00

**R 195.00**

## Meade Canon EOS T-Mount

## Meade Smartphone Adapter

- Allows you to attach your Canon EOS to your telescope via a Meade camera adapter, sold separately
- Not compatible with 'standard' Canon types, use with EOS modes only
- Stock Code: ZTMEA07384

- Adjustable metal cell phone holder that will allow you to take photographic images through your Meade telescope
- Allows you to take pictures through the telescope
- Compatible with many cell phone types and sizes
- Stock code: ZTMEA608007

Normally: R 299.00

**R 195.00**

Normally: R 399.00

**R 295.00**

## Meade Coronado Personal Solar Telescope with Case

- The world's most popular telescope to observe the sun
- 40mm diameter highly portable dedicated solar telescope
- Internal non-removable and student safe solar filtering optics
- 1.0 angstrom hydrogen-alpha (Ha) bandpass
- Stock Code: ZTMEPSTCP

## Meade Coronado AZ Mount and Tripod

- Easy-to-use mount design
- Slow motion control cables with flexible control handles
- Full size aluminium tripod with accessory tray
- Pan handle for coarse movements and easy pointing
- Recommended for Coronado PST or SolarMax II Telescope
- Stock Code: ZTMES309001

Normally: R 20,599.00

**R 11,295.00**

Normally: R 2,099.00

**R 1,095.00**
